Dear DR. MORESSI

I would personally like to thank you for volunteering your time to judge the Area 19 and 20 Science Fair on January 21, 2005. The Area 19 and 20 fair's success is greatly due to your dedication to science and to educating the youth of Chicago.

**We have had a slight change for the fair on January 21, 2005!!
Because of complications beyond our control the Area 19 and 20 fair has been moved
to North-Grand High School.**

North-Grand High School is located at:

4338 West Wabansia
Chicago, IL 60639
Ph: 773-534-8520

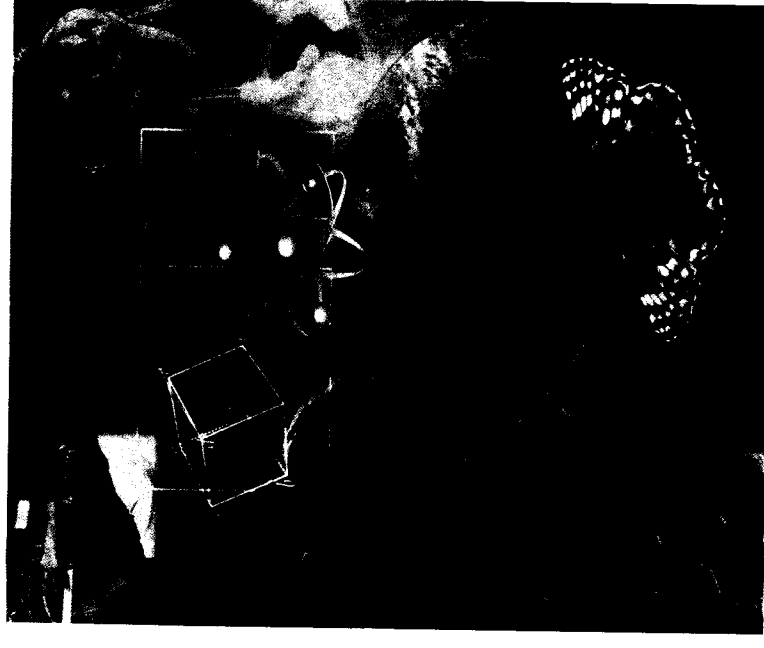

Parking at North-Grand High School is located next to the school off of Wabansia Ave. I apologize for any inconvenience this may cause. We have been making every effort to minimize the impact of this move on the day and most importantly on the students. Please contact me with any questions and/or concerns this change may have.
